

## International Protection of Human Rights 2024 höst tent:

1. Discuss the criticisms of human rights law as a Western construct and the counterarguments defending their universality. Compare and contrast the ideas of universalism and cultural relativism, and discuss the possible resolutions to these tensions in international human rights practice.
2. Human rights are protected in national constitutions as well as in international human rights conventions. Explain how
  - a) the national constitutional protection and
  - b) the international human rights conventions which a state has ratified/acceded to, relate to each other and assess their relevance in the context of the protection of the rights of the individual.
3. Regional human rights protection systems: describe and compare the three main regional systems.
